13 March 2015

Dear Sir / Madam,

Invitation to a public exhibition to view proposals for Nine Elms Underground station & development

You are invited to a public exhibition to learn more about our plans for the new Nine Elms Underground station, and in particular the associated development proposals above the station, which are being built as part of the Northern line extension (NLE). There will be plans available for you to view and members of the team available to discuss them with you.

Where: Tate South Lambeth Library, 180 South Lambeth Road, SW8 1QP

When:

- **Thursday 19 March 2015 -15:00 to 20:00**
- **Friday 20 March – 14:00 to 18:00**
- **Saturday 21 March – 10:00 to 16:00**

You can also give your views between 16 March and 07 April by visiting our website **tfl.gov.uk/northern-line-extension**

The new station will serve new and existing local communities, putting thousands more people within easy walking distance of the Tube network and reduce journey times to the West End and the City to less than 15 minutes.

The proposed development above the station is a residential-led mixed use scheme, helping to deliver new homes, along with further employment opportunities, a significant amount of new public space including new public art, and improved pedestrian and cycling facilities.

I do hope you will be able to visit the exhibition. However, if you are unable to make these dates and would like further information please do not hesitate to contact us at nle@tfl.gov.uk or the address above.

Yours faithfully,

Jon Kirkup,
Lead Sponsor, Line Extensions
